

**Rethem Hosting, LLC
Reseller Agreement
October 31, 2012**

This agreement, entered into between Rethem Hosting, LLC ("Registrar") and you ("Reseller"), a reseller of Registrar Services to provide Registrar Services, agree to the following provisions:

- 1) Reseller is prohibited from displaying the ICANN or ICANN-Accredited Registrar logo, or from otherwise representing itself as accredited by ICANN unless it has written permission from ICANN to do so.
- 2) Any registration agreement used by reseller shall include all registration agreement provisions and notices required by the ICANN Registrar Accreditation Agreement and any ICANN Consensus Policies, and shall identify Rethem Hosting, LLC as the sponsoring registrar or provide a means for identifying Rethem Hosting, LLC as the sponsoring registrar, such as a link to the InterNIC Whois lookup service.
- 3) Reseller shall identify the sponsoring registrar, Rethem Hosting, LLC, upon inquiry from the customer.
- 4) Reseller shall ensure that the identity and contact information provided by the customer of any privacy or proxy registration service offered or made available by reseller in connection with each registration will be deposited with Rethem Hosting, LLC or held in escrow or, alternatively, display a conspicuous notice to such customers at the time an election is made to utilize such privacy or proxy service that their data is not being escrowed. Where escrow is used, the escrow agreement will provide, at a minimum, that data will be released to Rethem Hosting, LLC in the event reseller breaches the reseller agreement, and such breach is harmful to consumers or the public interest. In the event that ICANN makes available a program granting recognition to resellers that escrow privacy or proxy registration data as detailed above, and reseller meets any other criteria established by ICANN in accordance with its Bylaws, reseller shall be permitted to apply to ICANN for such recognition.
- 5) To the extent that Rethem Hosting, LLC is obligated to provide a link to an ICANN webpage, as detailed in subsection 3.15 of the Registrar Accreditation Agreement, Reseller also shall be under an obligation to provide such linkage.
- 6) If Rethem Hosting, LLC becomes aware that Reseller is in breach of any of the provisions contained herein, Rethem Hosting, LLC shall contact Reseller regarding the irregularity and take reasonable steps to work towards a resolution to the irregularity. In the event of nonconformance, Rethem Hosting, LLC has the right to terminate this agreement.
